

MEETING ROOMS

Allow multiple participants to digitally collaborate in a single session regardless of location.

- ✓ Offer virtual open days, host webinars and product launches
- ✓ Save time, present information to a group rather than on an individual basis
- ✓ Just copy a small piece of script into your website and be up and running in minutes

EASY ACCESS FOR ALL

Whether on your website, social media, within documents or emails, allow your audience to easily participate in a group session.

Use one of our meeting room buttons, or **upload your own design**, allowing visitors to join the meeting when they have questions regarding your products or services.

Restrict entry by hosting a **private room** that requires a username and password, or allow anyone to join a **public room** to increase participation.

Enter Chat Room

MEETINGS PERSONALISED TO YOUR BRAND

Represent your brand on the **fully customisable** meeting window to increase visitor confidence.

Display a participant list and select whether individuals can private message each other or advisors.

- ✓ Additional functionality that doesn't impose on the conversation area
- ✓ Display promotional information and images
- ✓ Transfer and receive documents during the session

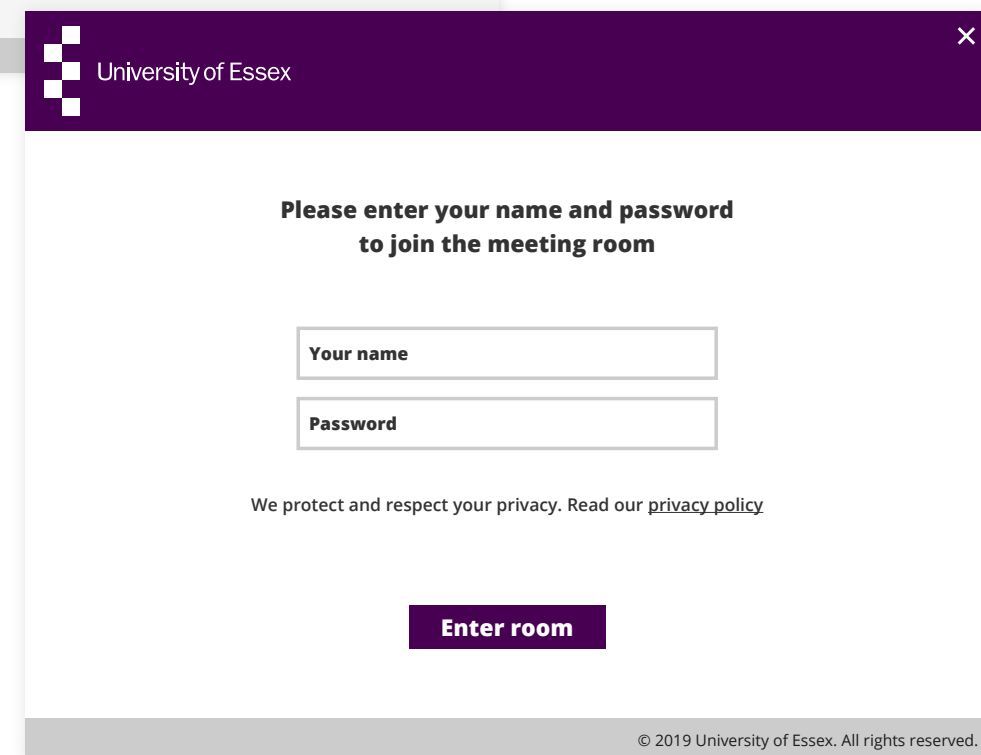

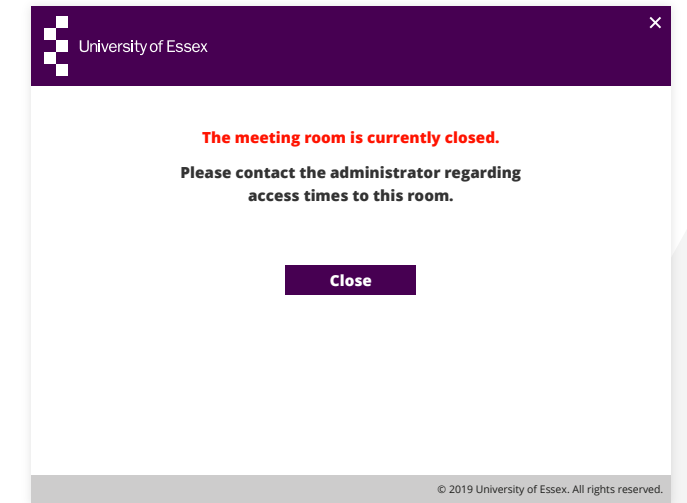

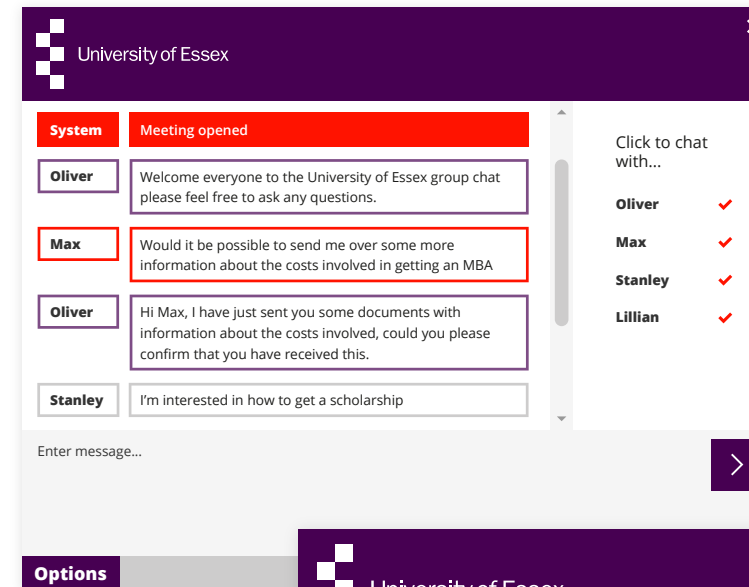

YOUR MEETING YOUR WAY

Before the Meeting

- ✓ Gather visitor information
- ✓ Restrict entry with user passwords
- ✓ Display GDPR information

When you are offline

- ✓ Automatically hide or change the button
- ✓ Present a notification when the meeting room is closed
- ✓ Encourage contact with an advisor for further information

YOUR CONTROL CENTRE

Improve efficiency and customer service by managing all interactions within a single control centre. Monitor meetings in real time with the ability to:

- ✓ Moderate messages before they are publicly displayed
- ✓ Privately chat with specific participants
- ✓ Block individuals if the need arises

ONE ROOM, MULTIPLE PURPOSES

Presenting a meeting provides your audience with easy access to information:

Virtual Open Days – Increase engagement with people who have difficulty visiting your physical location.

Product Launches – Host a Q & A session whilst introducing new products or services.

Auctions – Monitor bids in real time and automatically countdown to when the auction finishes.

Focus Groups - Gain feedback from your audience, or host a group support session.

Webinars – Hold a meeting alongside a video webinar. Advisors can feed questions for the presenter to answer on live stream.

MORE INFORMATION?

We understand integrating Meeting Rooms can raise a number of questions, that's why we provide friendly UK based account managers to answer all your questions even while you're on trial.

Should you wish to discuss the functionality in more detail, or would like to see the other communication tools and services offered, contact us direct.

Testimonials

"Easy setup and easy to use. This has further strengthened our communication channels to our customers. The setup and customisation of this product is perfect and thanks to our account manager, any issues we encountered were dealt with quickly and professionally by Click4Assistance helpful staff. I would recommend this product to anyone that needs to add a professional, easy to use and maintain, chat solution into their business. Outstanding product!"
