

PARTNERSHIPS

Forge stronger relationships by offering digital communication services to your clients

WHY BECOME A PARTNER?

Whether you offer design and development, or your focus is digital marketing, a partnership with Click4Assistance means you become a trusted provider and first port of call when your clients ask about online communication solutions with secure UK data storage.

- ✓ Provide your clients with latest technology
- ✓ Expand your portfolio of services
- ✓ Build strong on-going relationships with clients

SIMPLE & EFFECTIVE

Implementation couldn't be easier, just add a small piece of script to clients websites providing an array of communication tools.

```

5 <meta charset="utf-8" />
6 </head>
7 <body>
8 <h1>My Website.com</h1>
9
10 <div id="generalfooter">
11
12 <script type="text/javascript">
13 function InitialiseC4A() {
14 /* Chat Tool */
15 var Tool1 = new C4A.Tools(1);
16 C4A.Run('xxxxxxxx-498c-43ef-a6e9-efa95a8def45');
17 }
18 </script>
19 <noscript><a href="https://www.click4assistance.co.uk/add-live-chat-software-click4assistance-uk">
20 <script src="https://v4ini-si.click4assistance.co.uk/SI.js" type="text/javascript" defer="defer">
21
22 </div>
23 </body>
24 </html>

```

What is Experiences by Click4Assistance?

The selection of tools you can offer include:

Live Chat

Video Chat

AI Chatbots

Customisable contact forms

Social Media integration (Facebook, WhatsApp, sms messaging)

Onsite promotions (Pop-ups)

Real-time activity and conversion tracking

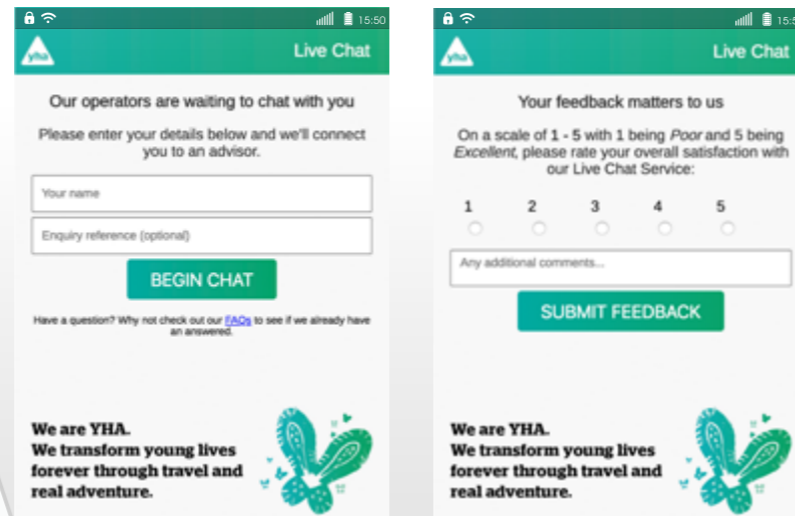

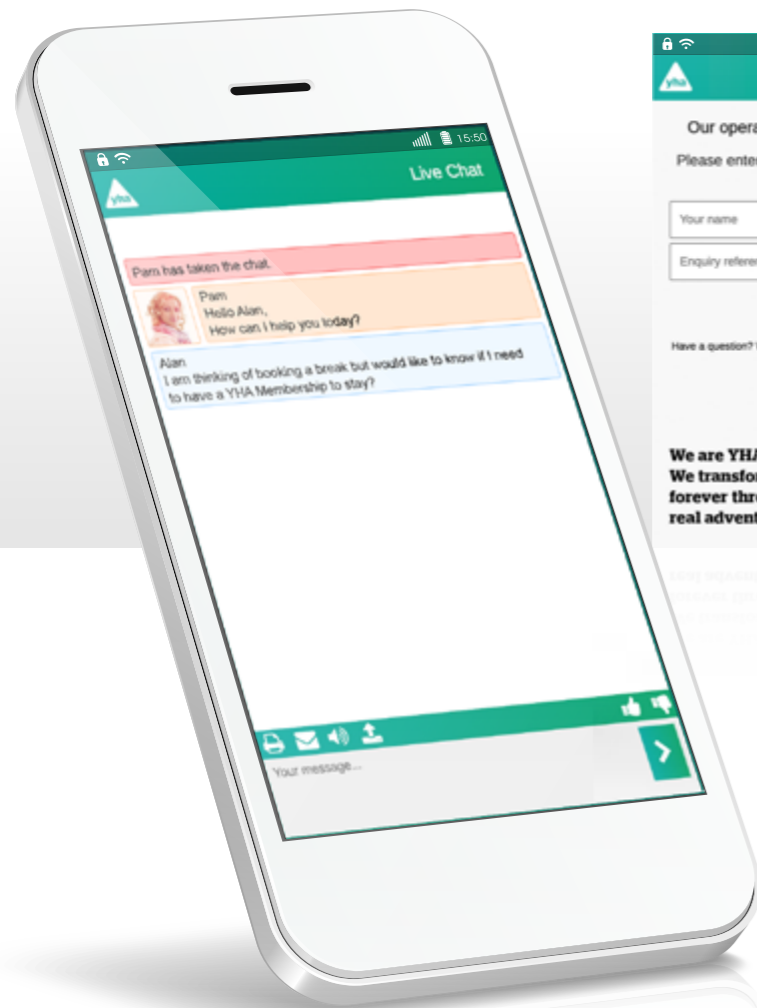

GENERATE REVENUE

Maximise your income with the option to completely customise all buttons and windows for seamless integration and brand continuity, or use our design service.

You will be fully supported by our friendly UK team, who can provide sales and technical expertise to ensure the success of both you and your customers.

Your revenue streams:

- ✓ Design and branding services using HTML/CSS
- ✓ Integration and on-going updates
- ✓ % of the on-going monthly subscription

PARTNERSHIP PROGRAMMES

Flexible partnerships are the key to success allowing you to determine the level of involvement.

Choose from the **Affiliate** model which attracts a share in the on-going revenue, or complete project ownership including implementation, customisation, and development with our **Reseller** option.

You may also qualify for **free live chat** on your own website!

AFFILIATE

Commission based referral scheme

- ✓ **Hassle free** – Click4Assistance takes care of billing and payment collection
- ✓ **Peace of mind** – Know your clients will be fully supported with top class customer service
- ✓ **Share on-going revenue** – Receive a percentage of your clients subscription every month

RESELLER

Complete ownership

- ✓ **Retain client control** – You maintain ownership of your client and invoice them directly
- ✓ **Project management** – Earn additional income from configuration, customisation and implementation
- ✓ **Increase earning potential** – Receive substantial discounts on our published prices

UK PROVIDER

Developed in Essex, hosted in London and used by customers nationwide, Click4Assistance has focused on providing omni-channel communications tools to a broad spectrum of UK organisations for over 15 years.

Experiences by Click4Assistance continues to be enhanced with additional features based on our extensive knowledge and customer feedback, with continuing development into the latest technologies including social media integration and chatbots.
